## Who is Banksy?

Banksy is the name of this mysterious artist whose graffiti art and poetic stencils cover walls in major cities and capitals of the world.

No one knows who he really is, but everyone knows his name.

Musée Banksy, Artbooth and Art Space (ABC Verdun) present for the first time in Beirut "The World of Banksy - The Immersive Experience". This exhibition devoted to the world-famous street artist reveals over 70 works by the artist.

The reproductions of graphic murals will also enable visitors to (re)discover the Girl with a Balloon, the Flower Thrower, the Mobile Lovers and many other works by Banksy.

With over 600,000 visitors in major cities around the World (Paris, Barcelona, Prague, Lisbon, Milano, Rome, Brussels, Dubai,...), the exhibition "The World of Banksy - The Immersive Experience" has been a successful event throughout the years.

It has gathered visitors from art lovers and connoisseurs to curious discoverers, from very young boys and girls to older Banksy fans, from friends enjoying an impressive experience to families going out for a cultural happening.

The feedback and comments have been glowing and there has been enthusiastic word-of-mouth praise since the beginning of this adventure.
